Welcome to Saint-Martin.

Saint-Martin is a small island of 37 sq miles and a thousand facets, it is so rich and contrasted that it allows each individual to find "more than elsewhere"...

Land of diversity, the "Friendly Island", as it is dubbed, counts more than one hundred nations inviting you to share landscapes, culture and fine cuisine. Its sounds, colors, and aromas will keep your senses going.

From its quiet sunsets, to its addictive nightlife Saint-Martin is a promise of unending pleasure.

The authenticity of its market places and numerous shops will seduce more than one!

Your stay on our island will leave an imprint in your senses and will urge you to return and succumb to our Caribbean charms.

Because we are mindful to offer you the best, you will indeed find "more than elsewhere" here...

EXPERIENCE  
THE ISLAND  
(here more than elsewhere)

Ida ZIN-KA-IEU

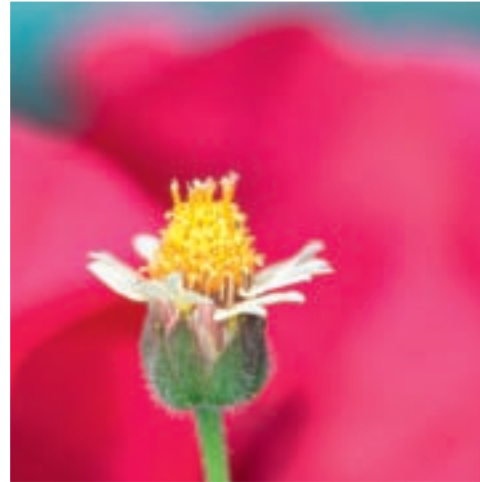

Two countries,

ONE ISLAND...

Saint-Martin, a tiny paradise hidden away in the Caribbean Sea, satisfies all your dreams of utopia. Flawless harmony, a symbolic border between France and the Netherlands. A fruitful marriage of French, Dutch and Caribbean cultures; a union of 110 nationalities; pride in spicy yet refined cuisine; 37 white sand beaches, 15 casinos, a thousand flavours... Dreams become reality... here more than elsewhere.

# COLOUR

(here more than elsewhere)

The pearlescent pink of make-up for an event; the sparkling red of Carnival dresses in Marigot, the intense green of soursop fruit and the lively yellow of passion fruit from the Marigot market. The dark blue waters, the red-orange glow of sunset over the Caribbean Sea from the beach at Grand Case. Colour... here more than elsewhere...

# WHAT'S AUTHENTIC

(here more than elsewhere)

Bathed year round in the Caribbean sun and drenched with tropical rains, nature in Saint-Martin reveals its treasure trove of luxurious vegetation. In the heart of the interior or along the beaches, coconut and banana trees, guava and papaya plants shape this fairytale landscape where iguanas and hummingbirds make their way from cactus to hibiscus flower. Down at the waterfront, laughing gulls welcome the fishermen back to the docks in Grand Case Cabane. Authentic nature... here more than elsewhere...

# BLUE

(here more than elsewhere)

A small boat in the middle of Marigot Bay. A mask, a snorkel, then the great dive into unimaginable depths, intensely blue, reveals landscapes dotted with coral or the shadow of a passing queen angle fish. On the surface, the blue is lighter, brighter, but still as majestic. Whether surfing, wakeboarding, jet-skiing, kayaking or sailing, you can touch but never conquer the great blue. It will remain unvanquished... here more than elsewhere...

# PARADISE

(here more than elsewhere)

Gently rocked by the mild Caribbean Sea, the old salt ponds of Saint-Martin are today a source of relaxation and means of escape. From the slightly coloured sand of Baie Rouge to the wide open spaces at Orient Bay, 37 white sand beaches stretch as far as the eye can see, caressed by the fresh waves and a gentle breeze that stirs the highest palm leaves. An earthly paradise... here more than elsewhere...

PINEL ISLAND

# TASTE

(here more than elsewhere)

The spicy sweetness of steamed fish. Prawns and shellfish flavoured with a few roucou seeds, and to finish it off, a guavaberry punch while savouring the last rays of light on a beautiful day. Seated at a bistro table by the sea or in a cosy top-rated restaurant, the gastronomic capital of the Caribbean extends an invitation you can't refuse. Taste... here more than elsewhere...

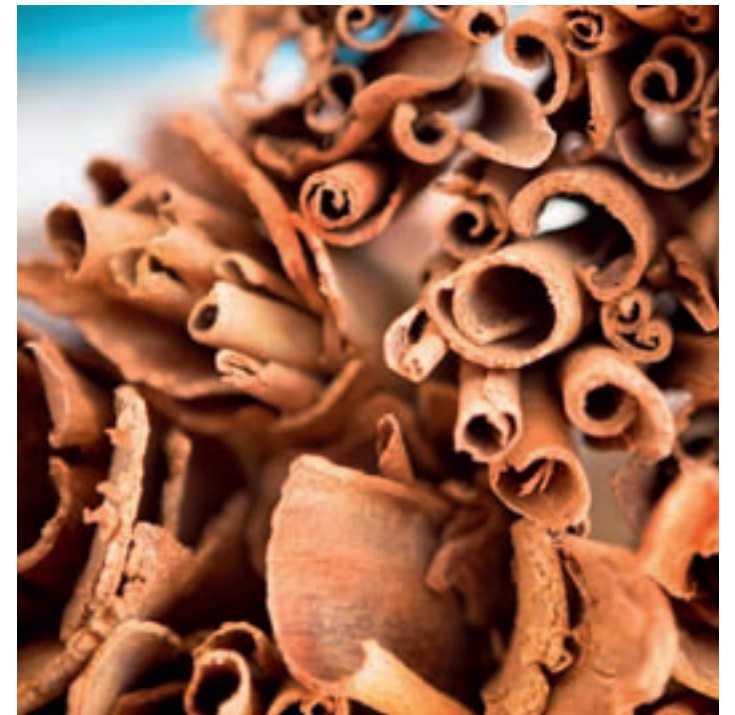

# SCENTS

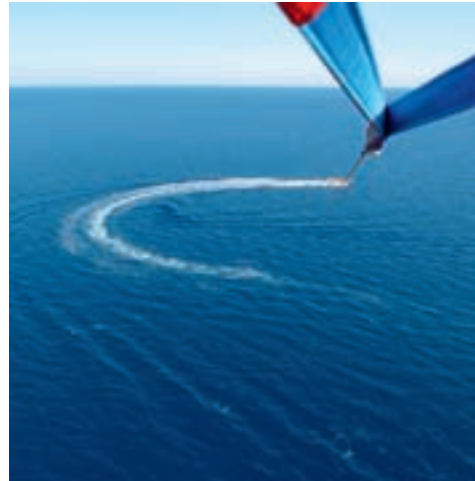

(here more than elsewhere)

Lightly caressing hibiscus blossom, irresistibly intense bougainvillea, suavely scented carambola. Soothingly fragrant cinnamon. Sweet and mild vanilla. Aromatic and potent star anise. All contrasting with the salty air of the Caribbean Sea, to top it all. Scents... here more than elsewhere...

# ADRENALINE

(here more than elsewhere)

You can experience the Caribbean dream somewhere between earth, sky and sea. Rule the heavens from Pic Paradise, paragliding, free-falling and parachuting. Glide over the waves at Galion beach, surfing, kite-surfing or windsurfing. Scale the rocks at Oyster Pond on a four-wheeler and overlook the old Loterie Farm sugar plantations on a high ropes adventure course. Conquer the elements... here more than elsewhere...

# SENSATIONS

(here more than elsewhere)

On foot, horseback or bicycle, see this earthly paradise from somewhere off the beaten path. A horse ride can lead to a swim at sunset. Take a mountain bike adventure or a hike down one of the trails and discover the island's hidden secrets. Activities for couples, families or friends... here more than elsewhere...

# HOT

(here more than elsewhere)

A glass of traditionally flavoured “rum arrangé” is waiting for you at a beachside bar or a restaurant terrace. The last rays of the sun sink below the horizon. Now that’s a beautiful beginning to a fun-filled, exciting evening. Under the stars or in the clubs, the gorgeous paths of the Antilles lead to love... The night is hot... here more than elsewhere...

# LUCK

(here more than elsewhere)

Sparkle and glitter, hip, exciting atmosphere, roulette and black jack – place your bets! The tables in Maho, a place unlike any other, are the heart of the “Little Vegas of the Caribbean”. On this island blessed by the gods, lady luck will surely smile on you... here more than elsewhere...

# ESCAPE

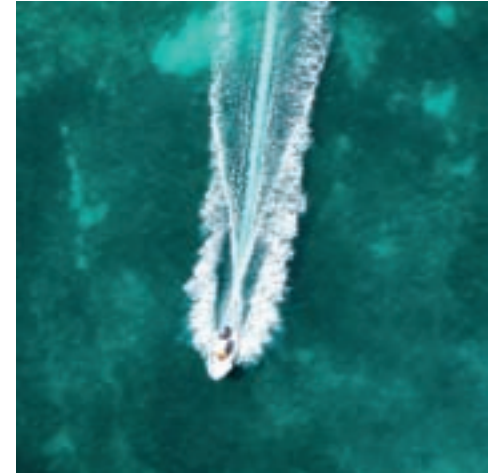

(here more than elsewhere)

Just a few square miles hold a entire world. The magic of a horse ride on the beach or a barefoot walk in the white sand; the breathtaking sights of the island trails lined with cactus, bougainvillea, flamboyants, hibiscus, coconut trees and ferns; the climb up to Pic Paradise... fulfil all your desires for escape... here more than elsewhere...

# FREEDOM

(here more than elsewhere)

Set sail to discover undersea beauty, step off the beaten paths and meet locals, delight yourself with duty-free shopping, conquer the elements with a high rope adventure course, see the wee hours of the night or lazy away the day... No boundaries, no limits – to do everything or nothing? Here you don't have to answer the question because you're free to do just as you please... here more than elsewhere...

# LUXURY

(here more than elsewhere)

Four-star hotels, charming authentic local hotels in the finest Creole style, dreamy villas... Saint-Martin has everything in terms of lodging. Alone, with that special someone, with friends or family... Hospitality is our art de vivre. Infinity pools, terraces in the shade of coconut trees, spas, exclusive services... True comfort is the fruit of elegance. Along the Caribbean Sea or inland on the island, privacy is the true luxury... here more than elsewhere...
